OVER A CENTURY OF INNOVATION.

A. O. Smith enjoys a rich history of achievement. We are a global leader in water heaters. With this as our focus we celebrate a **146 years** of integrity, innovation and most importantly, customer satisfaction.

KEY FEATURES.

BLUE DIAMOND® GLASS LINING

Blue Diamond® technology increases the life of the inner tank. The lining is stronger and more corrosion resistant than any other in the industry.

GLASS COATED HEATING ELEMENTS

Scale and sediment build-up on the surface of the element can lead to premature failure. A. O. Smith Glass Coating helps to prevent scale formation and extends the life of the heating element.

ANODE ROD

The tank has an anode rod which has stainless steel core that is designed to protect the tank from corrosive elements. The anode rod uses a special cathodic action to fight these elements and thus prolong the life of the water heater.

EXPRESS HEAT

Save your time with the help of innovative heating element by heating your water 33%* faster.

* As compared to a regular 2 kW water heater.

TEMPERATURE CONTROL KNOB

The temperature control knob allows you to set the temperature anywhere between 25°C to 75°C.

LONGER WARRANTIES

7 years warranty on inner tank. 4 years extended warranty* on heating element and a comprehensive 2 year warranty. Warranty applies only if the water heater is purchased from our authorised dealer.

ENERGY SAVING

Bee 5 star rating. One of the most efficient water heaters you can buy.

*Extended Warranty

Registration of Extended Warranty (1 year or 2 years) is valid if customer registers the product within 60 days of purchase. Please call our toll free no. 1800-103-2468 or fill up the details in our website www.aosmithindia.com to register.

**Power of 1 Service

Calls requested with A. O. Smith Customer Care Centre on working days before 4 pm | Within city municipal limits only | Restricted to service requests only | Available in Ahmedabad, Bangalore, Chandigarh, Chennai, Cochin, Delhi and NCR, Goa, Hyderabad, Kolkata, Pune. | For further details please refer our website www.aosmithindia.com
