SMARTNESS at your FINGERTIPS.

Hot water requirements vary depending on usage. A. O. Smith water heaters are designed to understand these variations and provide hot water accordingly. With different modes – from pedicure to shower – A. O. Smith water heaters come with predefined Smart Modes that are convenient and help save electricity.

- Pedicure
- Bucket
- Washing
- Mopping
- Shower

Longer life in toughest water conditions

A. O. Smith's patented **Blue Diamond®** glass lining in its tank provides the best protection against corrosion, even in toughest water conditions.

Superior performance

With an advanced Incoloy heating element, built to handle hard water conditions. Its special glass coating prevents scale buildup, ensuring longer life and consistent heating.

Big on Energy Savings

Our energy efficient Water Heaters are designed to meet BEE 5-star energy rating* norms. It's eco-friendly, giving you maximum hot water with minimum energy costs.

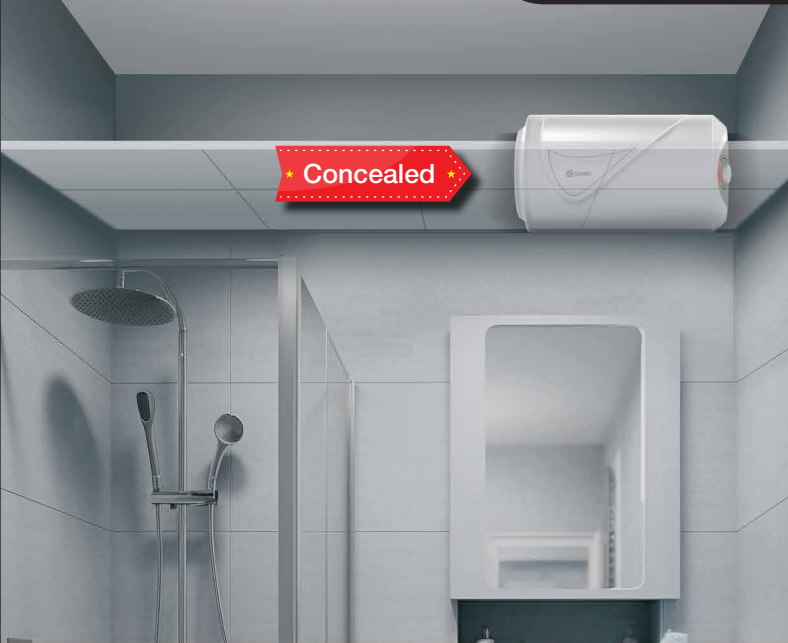

Peace of mind with Longer Warranties

7 years warranty on inner tank.
3 years warranty on heating element.
